

How Do I Know I Am on The Correct Version?

- The correct version for the Mid Year 2009 Budget is Micropay Professional v9.5. All you will have to do is log in as normal and look at the program bar at the top of the Micropay screen as illustrated below.
- It will also say on your main company screen Pay Run-“**Supplementary Budget April 2009**”. Please see this illustrated below.

- The PRSI tables will change with the new threshold and rates as illustrated below
