

## How Do I Know I Am on The Correct Version?

- The correct version for the Mid Year 2009 Budget is Quickpay V9.2 . All you will have to do is log in as normal and look at the program bar at the top of the Micropay screen as illustrated below.
- When you go to set the first period which has a pay date on or after 1<sup>st</sup> May 2009 you will get another message below on the screen. **“Supplementary Budget April 2009”**

- The PRSI tables will change with the new threshold and rates as illustrated below
